Client Onboarding Information Form

What we need from you before your HR system goes live

Why we are asking

Your HR system is built for your organisation alone — your own address, your own staff, your own leave rules. Nothing is shared with anyone else. To build it we need the facts below. Most of it you already have; it takes about thirty minutes to fill in.

Sections A to D are needed to create your system. The rest can follow within a week, but the sooner they arrive, the sooner your people can use it.

Organisation

Completed by

Role

Date

A Your organisation

Needed to create your system

This sets up your company record, your financial year and your web address.

WHAT WE NEED	WHY	YOUR ANSWER
Registered legal name *	Appears on payslips and official documents	
Trading or brand name	Shown to your staff, if different from above	
Short code, 2–5 letters *	Used as a prefix on document numbers, e.g. DTC	
Preferred web address *	yourname.alvoraa.co — lowercase letters and numbers only	
Registered address *	Head office, with PIN code	
Country and currency *	Default is India and Indian Rupees	
Time zone *	Default is Asia/Kolkata	
Financial year start *	Usually 1 April in India	
Company logo	PNG or SVG, transparent background	
Brand colour	Hex code if you have one, e.g. #1A7F5A	
Support address for staff *	Where your employees write when stuck	

B Who will run it

Needed to create your system

We create two logins for you. Each person receives an invitation by email and chooses their own password. **We never send passwords by email.**

Role	Full name	Email address	Mobile
HR Manager Runs leave, attendance, staff records			
System Administrator Settings, users, permissions			
Data protection contact Handles staff questions about their data			

These can be the same person in a smaller organisation. Tell us if so, and we will set up one login instead of three.

C What you want switched on

Needed to create your system

Tick what you need. The first five are always included. Anything unticked stays hidden and can be switched on later.

- | | |
|---|---|
| ☐ Employee Portal — included | ☐ Performance & Appraisals — review cycles |
| ☐ Leaves — included | ☐ Goals & KPIs — objectives and measures |
| ☐ Shift & Attendance — included | ☐ Analytics — dashboards for leadership |
| ☐ Expenses — included | ☐ Org Structure & Positions — formal position hierarchy |
| ☐ HR Setup — included | ☐ Employee Documents — store certificates, contracts |
| ☐ Onboarding & Exit — joining to final settlement | ☐ Policy Library — publish policies for staff |
| ☐ Recruitment — openings, applicants, offers | ☐ Late Coming Rules — automatic late marking |
| ☐ Payroll — salary structures and payslips | ☐ Field Check-in — GPS check-in for staff on the move |
| ☐ Tax & Benefits — tax slabs, exemptions | ☐ Vendor & Driver Portal — for delivery operations |

Number of employees *	Decides your price band	
Billing frequency *	Monthly or annual	
Target go-live date *	The day your staff start using it	

D How your organisation is arranged

Needed to create your system

This decides who can see whose records. Attach a list if it is long.

Item	Please list
Branches or locations Name and city of each	
Departments	
Job titles	
Grades or levels If you use them	

Who sees what. Tell us whether a branch manager should see only their own branch, or the whole organisation. This is the single most common thing clients change later, so it is worth a minute now.

E Working time and leave

Within one week of start

WHAT WE NEED	WHY	YOUR ANSWER
Weekly off days	Sunday only, or Saturday and Sunday	
Shift timings	Start and end for each shift you run	
Grace period for late arrival	In minutes, if you allow one	
Public holiday list	For the coming year, with dates	
Leave year	Calendar year, or financial year	
Leave types and yearly entitlement	e.g. Casual 12, Sick 12, Earned 15	
Carry forward rules	How much unused leave rolls over	
Who approves leave	Direct manager, HR, or both in turn	
How attendance is recorded	Biometric, phone check-in, or marked by HR	

F Payroll

Only if you bought Payroll

WHAT WE NEED	WHY	YOUR ANSWER
Salary components	Basic, HRA, allowances, deductions	
Pay cycle and pay day	e.g. 1st to 31st, paid on the 7th	
PF registration number	If Provident Fund applies	
ESI registration number	If ESI applies	
Professional Tax states	Rates differ by state	
PAN and TAN	For tax deduction	
GSTIN	If you are registered	
Salary bank account	Account used to pay staff	

G Your staff list

Within one week of start

Send this as a spreadsheet. We will give you a template — these are the columns it will have. Anything missing can be added later, but the first six are needed for a person to log in.

- ☐ Full name — required
- ☐ Employee number — required
- ☐ Work email — required
- ☐ Date of joining — required
- ☐ Department — required
- ☐ Job title — required
- ☐ Reporting manager
- ☐ Branch or location
- ☐ Employment type — permanent, contract
- ☐ Mobile number
- ☐ Date of birth
- ☐ Gender
- ☐ Current leave balances — if mid-year
- ☐ Salary — only if Payroll is switched on

Please send this file securely. It contains personal information about your staff. We will share a private upload link — do not send it as an ordinary email attachment.

H Staff privacy

Before go-live

Under India's data protection law, **you** are responsible for your employees' data and we handle it on your instruction. A few decisions are yours to make.

DECISION	WHAT IT MEANS	YOUR ANSWER
Will you use GPS check-in?	If yes, staff must be told and must agree	
Which roles work in the field?	Only these are tracked, and only on duty	
Who may see location records?	Our default: the person, their manager, HR, leadership	
Staff privacy notice	We supply a template for you to issue	
Data processing agreement	Signed between your organisation and ours	

✓ What happens after you send this

When	What happens
Same day	We build your system and send you the web address. It takes about fifteen minutes.
Day 1	Your two administrators receive invitations and set their own passwords.
Days 2–4	We load your branches, departments, holidays, leave rules and staff list.
Day 5	You check it and tell us what to correct.
Go-live	Your staff receive their invitations. We stay close for the first two weeks.
